

Parking near UW Campus:

Free parking is available on the streets north of campus (15th Ave NE through 21st Ave NE), but finding a spot is difficult. Street parking west of campus is also available for \$1.50 an hour, but the 2 hour limit means it's not plausible for a 2 hour class.

Daily campus parking permits for \$15 are available at gatehouses, located at every campus entrance. Mention your destination and they will automatically place you in the closest lot. Although you must purchase a Daily Pass, you will be partially refunded for spending less than 4 hours on campus. After the refund it's about \$8.00 for a 2 hour class.
